[CITATION] **GIS** based multilevel intelligent fault diagnosis system on electric ...

W An, C Sun, Q Zhou, J Yang - Electrical Insulation, 2004. Conference Record of the ..., 2004

[Cited by 1](#) - [Related articles](#) - [All 2 versions](#)A Multifaceted Approach to **GIS-SCADA** Integration

CA San Diego - training.esri.com

Reliance Energy Limited (REL), incorporated in 1929 is India's leading private sector, integrated power utility company, serving 25 million customers about 125,000 square kilometers. REL has a well-established **SCADA** DMS (ABB) that monitors and controls the electrical ...

[Cached](#)Integration of **GIS** and **SCADA** Systems for Total Wastewater Operations ...

E Ballina - Proceedings of the Water Environment Federation, 2008 - ingentaconnect.com

Water and Wastewater operations commonly make extensive use of **SCADA**, **GIS** and mapping software solutions. Both **GIS** and **SCADA** involve data with a geographically distributed context. Although they can both benefit from information from each other and the ...

[Related articles](#)[PDF] Utilization of **GIS** and RTK GPS Reference Networks for Machine Automation[gisdevelopment.net \[PDF\]](#)

M Al-Musawa, A El-Mowafy - gisdevelopment.net

... primary sensors can be sent remotely from the field through the RTU to the **SCADA** system to update the **GIS** map with real time information. This would help monitoring the actual field progressed work against the planned one. The developed **integration** architecture proposal is ...
